Re: Board Bill 115

Dear Honorable Members of the Board of Estimate and Apportionment:

The Department of Streets and the Mayor's Office respectfully request approval of Board Bill 115 (attached), which will appropriate \$4,100,000 in local capital improvement funds as a match for a State appropriation for the planning, design, maintenance, and construction of flood wall improvements. The Board Bill currently appropriates \$5,000,000 but will be amended down to \$4,100,000 to match this approval the next time it is heard. I request that this item be included on the agenda for February 9, 2026.

If you have any questions or require additional information, please reach out to Budget Director Paul Payne or Director of Streets James Jackson.

Thank you in advance for your consideration.

Respectfully,

Ben Jonsson
Chief Operating Officer
